Dear Hoa,

How are you? (1) **C I hope you are studying hard for your exams next week.**

My class has just returned from a trip to the Grand Canyon in Arizona. (2) **B The Canyon is part of Grand Canyon National Park and it was formed by the Colorado River over millions of years.**

We spent a week there and I didn't want to leave.

Although it was summer, it was quite cool at night because the area is more than 2,000 meters above sea level.

On our first day, a park ranger led us on a guided hike along the edge of the Canyon. He talked about the history of the area. (3) **D He also talked about the original inhabitants who lived there during the Stone Age.**

(4) **A That's all I have time to tell you about.** What do you plan to do during the summer vacation? Write to me after your exams.

Your friend,

Tim

Dear Hoa,

I'm writing this letter to tell you that I've just returned from a trip to Ha Long Bay with my family. The sight was extremely magnificent.

It took us five or six hours by car to get there from Ha Noi. We spent more than a week there.

The weather was perfect. It was sunny, cool and windy. We enjoyed walking along the seaside at night very much.

It was really interesting when we knew about the legenda of Ha Long Bay. We really want to come back there when we have time next year.

How are you getting with your study at home? Where are you going for your holiday? Let me know.

Love,

Phuong
